Subject: MICROSOFT SETTLEMENT

WE URGE THE US DOJ TO RESOLVE THIS CASE AGAINST MICROSOFT AND GET ON WITH THE MORE SERIOUS MATTERS SUCH AS ENRON. AT NO TIME AND IN NO WAY HAS MICROSOFT CREATED PROBLEMS FOR THE COMPUTER INDUSTRY. WITHOUT MICROSOFT,

WHERE WOULD THE INDUSTRY BE? INSTEAD OF PENALIZING A FORWARD THINKING, CREATIVE COMPANY LIKE MICROSOFT, ENCOURAGE THEIR COMPETENCE! AS USERS, WE

FEEL THEIR PRODUCTS TO BE SUPERIOR IN EVERY WAY---THIS KIND OF BUSINESS SHOULD BE REWARDED, NOT HARASSED. SO, WE REQUEST THAT THIS MATTER BE RESOLVED QUICKLY AND FINALLY AND LET MICROSOFT DO WHAT IS DOES BEST AND LET

THE DOJ DO WHAT IT DOES BEST AND THAT IS TO GO AFTER REALLY ABUSIVE COMPANIES LIKE ENRON.

BEVERLY AND DALE SCHENDEL
